

TMBA 2019 EDUCATION WEBINAR SERIES

March 13, 2019 | 10:00 am CT

The Changing World of Flood...and what it means to YOU!

DESCRIPTION

We invite you to join us for an informative training webinar entitled "The Changing World of Flood...and what it means to YOU". Join Paul Lonsdorf, Vice President of South Region at Western Technologies Group. Lonsdorf will discuss how the superstorms of the past few years plunged the National Flood Insurance Program (NFIP) into the red – over \$30 Billion in debt. Congress and FEMA are enacting significant changes to address the underlying factors contributing to this shortfall. These include new Flood Zone Determination Maps, new Flood Zone Classifications, and increased CMP Penalties. These changes will affect all Financial Services Professionals involved in Real Estate transactions. The FEMA re-mapping will dramatically affect Texas, since much of the state is either currently unmapped or using outdated maps. This Educational Webinar, geared to Lending Officers and Compliance Professionals, explains what FEMA is doing and why they're doing it. You'll get a "peek into the future" so that you can better prepare for the coming changes.

ATTENDEE INFORMATION

first name	last name	middle initial	
company (TMBA member companies and their employees register for free)			title
mailing address			
city	state	zip	email
phone	fax	Are you a first time attendee? <input type="checkbox"/> Yes <input type="checkbox"/> No
