FUTURE LEADERS

James Wooten Scholarship Application

This scholarship was developed in 1993 and has since become the primary focus for the Future Leaders. Now called the Future Leaders/James M. Wooten Scholarship, the program was designed focused on developing new leaders who will guide our organization and our industry in the years to come.

The TMBA Future Leaders Committee sends up to four deserving individuals to the national MBA's Future Leaders Program. This prestigious program has delivered a top curriculum of leadership and business management to the real estate finance industry's most promising professionals - identifying and cultivating the next generation of leaders for the real estate finance industry!

Because of the scholarship's direct correlation with the MBA Future Leaders Program, this application includes the MBA application (page 2) as well as some TMBA-specific questions (page 3.) Please complete all sections of this packet prior to submission. Please feel free to use additional pages for your answers.

If selected, you will be participating in this program as a representative of the Texas Mortgage Bankers Association. With this honor, your commitment and dedication to the program can affect the TMBA's partnership with the MBA Future Leaders Program in future years. Our success depends on you!

Thank you for applying, and best of luck!
