

# TMBA 2023 EDUCATION WEBINAR SERIES

March 16 ,2023 ( Thursday) | 11:30 amC ST

**TITLE: Understanding the Complexities of Cyber Threats within Mortgage Banking and Regulator Expectations for Data Protection**

**MODERATOR:**

**SPEAKERS:**

**DESCRIPTION:** Financial institutions of all sizes are facing an increasing volume and variety of cyber threats. From phishing, to account compromise attacks and even ransomware, the risk of a data breach or financial loss is a constant concern. In this panel, we will explore the anatomy of cyberattacks and what mortgage bankers can do to protect their organization, and discuss regulator expectations for data security. From preventing attacks to building resilience, attendees will learn tangible best practices from industry experts they can use to protect their organization from cyber attacks.
